The Liberty Godparent Foundation

The Liberty Godparent Foundation is a Christian organization devoted to improving the quality of life for unwed pregnant teens, babies and Adoptive families by providing two separate alternatives, The Liberty Godparent Maternity Home and Family Life Services Adoption Agency.

We feel that it is essential in order to break the cycles of poverty and abuse and/or create promising lives for all, hope must be offered and opportunities given. It is our desire to empower young pregnant girls in crisis with the ability to realize the value of their life and the life of their unborn child, while bring other families together through adoption.

Whether a girl parents her child or places him/her for adoption a common goal must be sought. All things can be achieved through offering a New Hope and Future for all we come into contact with. That is the mission of the Liberty Godparent Foundation.
