About Issy:

On April 26, 2011, Isabelle Stover was diagnosed with a disease that no parent is prepared to hear. The doctor informed her parents, Jeff and Sarah, that Isabelle had T-cell Acute Lymphoblastic Leukemia, a rare rapid growing leukemia. She began treatments immediately.

Over the past year, Issy has been subjected to numerous and extensive surgeries and rounds of blood transfusions, chemotherapy treatments and targeted brain radiation treatments. She and her parents face each obstacle with determination and a complete dependence upon the Lord for strength and peace.

In February, Issy celebrated her 4th birthday with a party at Romp N' Roll surrounded by family and friends. Issy loves the color purple and to dress up in her princess outfits. Jeff and Sarah take comfort in Philippians 4:6 *"Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be known to the God."*

The Couples for Christ class from TRBC is proud to sponsor Issy's Race for Life (formerly Godparent Home 5K) this year. We are excited about our new 4-mile course beginning at the 3-mile marker by Amazement Square. We invite you to come out and join us in supporting this very brave little girl, Issy, and her amazing parents, Jeff and Sarah!
